COLOR TRENDS 2025

COLOR TRENDS 2 0 2 5

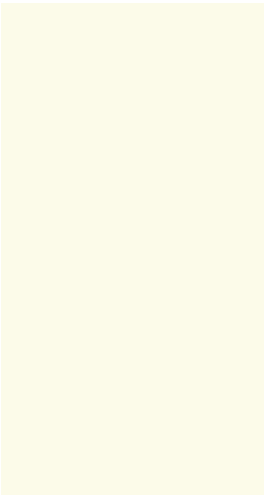

We encourage you to use colors that evoke a feeling of community to enliven your spaces. Bright neutrals, rich tones, and striking accents bring your environment to life.

A matte finish gives interior walls depth, while an eggshell sheen gently reflects light on doors, cabinets, and other surfaces. A silk finish is an excellent choice if you prefer a non-glossy look while still allowing more light into your home.
